

Minutes for the Jan. 16, 2011
Board Meeting
Fandel Farms Condo Association

Because we currently have only two board members, Deb Deitrick - Treasurer, and Judy Michael - Secretary the January meeting was brief. Deb Deitrick read the treasurer's report, my minutes were already on the condo website.

The primary topic of discussion focused on filling open board positions. Peggy Reed in 202 expressed willingness to accept the secretary's position if I take the Presidents position. Nathan Isenberg is going to fill the treasurer's position after the month of April. Nathan is a CPA and will for obvious reasons be very busy until after 4/15/11.

Since that meeting, Dave Diggle has expressed an interest in holding a board position as well.

Peggy Reed had problems in her yard and on her garage door frame with damage done by the snow removal company. Petersons also had damage to their garage door frame. When I spoke to them about the landscape damage they came out that day to check out the problem and have followed up with Peggy about correcting any damage.

Kudos to the Ted Blunier's people for their work the morning after the 18" snow we had a couple months ago. They did a phenomenal job!
